Water Sensitive Urban Design Series

This free three-part workshop series includes:

Part 1: Saturday 12 March 2016, 9.30am to 1.00pm

Introduction to water sensitive design: how to manage stormwater using green roofs, green walls, rain gardens, wetlands, porous paving, swales and rainwater tanks.

Part 2: Saturday 21 May 2016, 9.30am to 1.00pm

Detailed property design: During this workshop we will create a water sensitive urban design for Dulwich Hill Primary School incorporating lessons learned in Part 1.

Part 3: Saturday 18 June 2016, 9.30am to 1.00pm

In the third workshop, get your hands dirty and build a water sensitive feature at Dulwich Hill Primary School.

Bookings are essential as places are limited:

Email water@marrickville.nsw.gov.au or call 9335 2062

Workshops will be held at Dulwich Hill Primary School.
